This new collection brings together imagination, emotion, and savoir-faire.

Imagination is at play with bold lines, inventive shapes and reinterpretations, along with playful colors and elevated materials.

Savoir-faire brings these new shapes to life, heightening our senses and enhancing our sense of well-being.

We are pleased to present a selection of this new Autumn-Winter 2023 collection and invite you to explore many more pieces on roche-bobois.com and in our showrooms.
