# Edito

For the brand's 50<sup>th</sup> anniversary in Canada, explore a curated selection of Roche Bobois' new Fall-Winter collection. All furniture, including sofas, is customizable, blending creativity with noble materials and exceptional craftsmanship.

Among these new creations is the Bamboo Mood collection, designed by Franco-Chinese artist Jiang Qiong Er, which was inspired by bamboo, a powerful symbol in Chinese culture.

Continuing its pursuit of artisanal excellence, Roche Bobois has revisited this season the Pulp table, by Eugeni Quitllet.

A new version fully carved in beautiful matte Carrara marble creates a highly elegant, sculptural effect.

We look forward to showing you the full range of Roche Bobois' collections and services, whether online or on-site, including our Quick Ship Program<sup>(1)</sup> with select furniture pieces available in stock.
