PARIS

Edito

This season, Roche Bobois reinvents lines and redraws perspectives: original creations inspired by the spirit of the times, and iconic pieces revisited through new materials and unprecedented colours.

Creations that are also part of an ever more responsible approach, with close attention paid to sustainable materials and environmentally respectful craftsmanship.

We are delighted to present here an excerpt from this new Spring-Summer collection.

A collection to be enjoyed both indoors and outdoors, where comfort, innovation, light, and space naturally interact.

We invite you to discover much more at roche-bobois.com and in your showroom.
